TOUCH AND COUNT WITH PETER RABBIT

London: Frederick Warne, 2009.

JP 513.2 TOU-[BA]

This book entertains and teaches your baby the numbers 1 to 10. It is a delightful child friendly book, with smooth surface on board pages and rounded off corners – the perfect book to hold given baby's soft fingers. Beautiful illustrations of pretty furred and feathered animals like mice, rabbits, cats and ducks in pastel colours will sooth your baby. Every page has a number in different textures and colours, which baby can touch and play.
